

# Why Bible Bowl?

## Community

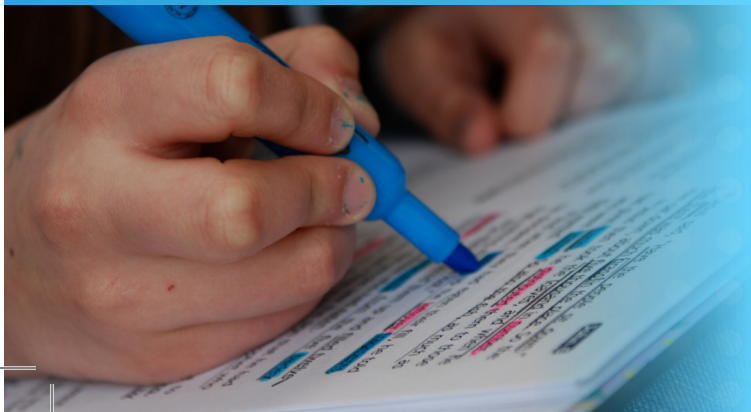

Players form lifelong friendships with teammates, coaches, and directors, and meet with like-minded people from the same region, all over the country, and, through virtual Bible Bowl, all over the world!

## Academic Benefits

Not only do players learn how to study, but they demonstrate what they know by giving answers in front of a group and by taking timed tests. Playing on a team helps students develop leadership and teamwork skills. Many Christian colleges offer scholarships to Bible Bowl players as well.

## Gets Kids in the WORD

Players who plant God's Word in their hearts are equipped with the truth that can form their views about the world, their place in it, and their need for a Savior. Bible Bowl makes it easy to motivate students to study Scripture.
