

Thank you for your interest in Bible Bowl!

I am Josiah Gorman, the Executive Director of National Bible Bowl. If you haven't already, check out BibleBowl.org where you can join the mailing list and stay updated with the latest Bible Bowl news and events, as well as find other resources to help you along the way.

The following items are contained within your kit:

For the Coach:

Coach's Guide: walks you through everything you need to know to prepare your players for studying and playing.

Study Text: this is your official version of the Scripture text. All questions are based upon this version of the Scripture text.

Rapid Fire Guide: used in conjunction with the Coach's Guide to teach players during practice.

USB Drive: contains one round of practice questions (questions for gameplay) per chapter and per block to use for competing.

For the Players:

Study Guide: includes the main resources your players use at practice and at home, both a Study Text and Study Questions (to help in learning the text).

Workbook: this book will give you a better understanding of the verses being studied and will be a jumping off point for discussions about the text in your study group.

The contents of this kit will give you everything you need to get started. Our goal is to combine fun and competition with the core mission of instilling Scripture into the hearts and minds of today's youth. We're sure you will find Bible Bowl to be the best way to encourage consistent Scripture learning.

If you have any questions, please don't hesitate to contact me at Office@BibleBowl.org or (321) 972-5390.

Thank you!
